I hereby acknowledge that I have read this application and state that the above information is true and correct and agree to comply with all City Ordinances and State Laws regulating building construction.

I certify that the floor elevation of the building and the elevation of the building sewer are so planned to provide proper slope in the sewer connection to the City Sanitary Sewer.

As a builder, I hereby agree to protect all public improvements and public utilities adjacent to or serving the property on which the structure or structures covered in this building permit are located, whether or not the said improvements or utilities are the property of the City of Florence, I further agree to make or cause to have made repairs, satisfactory to the City of Florence, to any damage to these public improvements utilities resulting from the actions, misuse or lack of care on the part of any of my employees, agents, contractors, subcontractors or suppliers of material of said public improvements or utilities.
